On multiple occasions, the manner in which you have conducted yourself in front of staff, students and other visitors has not been appropriate for a school setting and will not be tolerated in and around a school building. While I understand your passion for the well-being of your child, it is imperative that you be mindful of the learning that is taking place throughout our building. All visitors must conduct themselves with the same level of control and respect for others that is expected of our staff and students.

After careful deliberation with the Office of School Operations and SCS Security, it has been determined that to optimally ensure the safety of our students and staff, **you will no longer be permitted on the campus of Double Tree Elementary School.** Any communications to the school must be directed to the Principal or his designee by email correspondences or phone calls.
