Law Supplemental Narrative:**Supplement # 1**

On Sunday, January 5, 1997, at about 7:10pm, Cedric Wilson was out in front of 2510 Dexter, when a blue Cadillac pulled up, occupied by 4 black males, two of whom were armed with guns. These assailants got out of the car, at which time Mr. Wilson was cut when he was struck in the mouth with the pistol. A watch, beeper, shoes, and \$150 cash was taken from Cedric Wilson during this incident. His cousin, Romanitha Wilson, was standing in her doorway at 2510 Dexter, which was occupied by several other people (including small children) at the time of this incident. Ms. Wilson went out to the street to try and prevent the assailants from shooting her cousin, at which time one of the assailants pointed a gun directly at her and threatened to shoot up the house. The victims knew three of the suspects by name, advising that Dante Dale had struck Cedric in the mouth and held him at gunpoint while the suspect not known to them took Cedric's shoes, beeper, watch, and money. The victims stated that Kevin Rice had a "big long gun" and threatened to shoot into Ms. Wilson's house, and that Etienne Harmon was with the other three suspects at the time of this incident. The victims called police immediately and took them to the neighborhood where the suspects lived, at which time the blue Cadillac was located in front of 1393 Standridge, where Auan Brown was found hiding in a bedroom closet with a Tech-22 pistol which had an extended clip. A Russian SKS assault rifle, with a 20 round clip and a 100 round clip, was also recovered from this house at that time. Auan Brown was positively identified by the victims as the fourth subject responsible, and was arrested on the same day as this incident. Both victims positively identified Dante Dale, Kevin Rice and Etienne Harmon from photospread line-ups, and they were then subsequently arrested.

Auan Brown refused to give a statement in this matter. Dante Dale admitted to striking Cedric Wilson, because Cedric had supposedly stolen a large sum of money from him about a year and a half ago, but denied the involvement of any weapons. He implicated Kevin Rice, Etienne Harmon and Auan Brown as having been with him at the time of this incident, and stated that Auan Brown had removed Cedric's shoes, but threw them in the yard at 2510 Dexter before they left. Kevin Rice admitted to being present at the time of this incident, but stated that he and Etienne Harmon had stayed in the car while Dante assaulted Cedric Wilson. He further advised that Auan Brown took Cedric's shoes, watch and beeper, but threw them all back in the yard before they left. Kevin Rice also denied the involvement of any weapons. Etienne Harmon admitted to being in the Cadillac while Dante Dale beat up Cedric Wilson. He stated that Kevin Rice just stood by the car and that Auan Brown, who had a gun in his waistband that he never pulled out, took Cedric Wilson's shoes, beeper and watch, which were thrown in the yard before they left. Dante Dale, Kevin Rice and Auan Brown were charged with Aggravated Robbery and Aggravated Assault in connection with this case. Etienne Harmon, who was a juvenile at the time of this incident, was charged with Evading Arrest (from having run from police at the time of his arrest), which was handled entirely through Juvenile Court making him available as a witness in this matter.

Typed by: Kawanda Lee #4965

Kevin Rice, you are arrested and may be charged with AGGRAVATED ROBBERY and AGGRAVATED ASSAULT in connection with this complaint.

I am going to ask you some questions regarding the above complaint. You have the right to remain silent and anything you say can be used against you in a court of law. You have a right to have lawyer, either of your own choice, or court appointed if you are unable to afford one, and to talk with him before answering any questions, and to have him with you during questioning if you wish.

Q: Do you understand each of these rights I have explained to you?

A: Yes.

Q: Do you wish to make a statement now?

A: Yes.

Q: Were you present at 2510 Dexter, on Sunday, January 5, 1997, when Cedric Wilson was beaten and robbed?

A: Yes, I was.

Q: Who else was with you that night?

A: Dante Dale, ██████████ and Auan Brown.

Q: Whose car were you in that night?

A: Dante Dale's Cadillac.

Q: Can you tell me, in your own words, exactly what took place that night?

A: We were just riding around in the neighborhood and we rode down Dexter. Dante happened to see Cedric on the sidewalk and he got out of the car and they had a few words and they tussled. Dante and Auan were the only two who got out of the car, me and ██████████ stayed in the car. While Dante and Cedric were tussling, Auan took off Cedric shoes, watch and his beeper, and after that Dante came back to the car and we left. There were never any guns involved and why they said there were I don't know. Dante was the only one who assaulted Cedric.

Q: Who else was out there with Cedric at the time?

A: His cousin named Terry was out there at the time and his cousin Romanitha was in the house, she didn't come out until after the tussle was over and Cedric went in the house.

Q: What part did you play in this incident?

A: I just sat in the car and watched.

Q: Do you know what happened to Cedric's property that was taken?

A: It was thrown back in the yard after the incident and before we left.

Q: So Cedric got everything back that night?

A: I heard Dante tell Auan to throw the stuff back in the yard, but I only saw the shoes get thrown back. It was dark outside, so I couldn't tell if Auan threw the watch or beeper back or not.

Q: What kind of guns were used and who had them?

A: There weren't any guns, not even in the car.

Q: Who's guns were found at 1393 Standridge the night Auan was arrested?

A: I have no idea.

Q: Who lives at 1393 Standridge?

A: Alberta Freeman, Sharon Freeman and Karen Freeman.

Q: Do you know why Cedric was robbed and beaten?

A: I guess it was over the money that he owed to Dante.

Q: Can you tell me about the money that Cedric owed to Dante?

A: It was about \$1,400 that Dante gave to Cedric to buy drugs with.

Q: What happened to this money?

A: I have no idea. Cedric left with the money and nobody seen him again until that day.

Q: How long ago did Dante give this money to Cedric?

A: About two or three years.

Q: And your saying that Sunday, January 5, 1997, was the first time that Dante has seen Cedric since he gave him this money 2-3 years ago?

A: Right.

Q: Do you know Cedric and his cousin, Romanitha, personally?

A: I'd know them when I see them, but I don't really just associate with them.

Q: Do you go by any nicknames?

A: Yeah, "Wham" and "Big Wham."

Q: Does Dante or ██████████ go by any nicknames?

A: They call Dante "Big Daddy," and ██████████ goes by "██████."

Q: Is the Cadillac that the police towed the night this all happened, the same car that ya'll were in on Dexter when Cedric was robbed?

A: Yes it was.

Q: Did Dante, or anyone else, tell you what to say about this incident if you were ever asked?

A: No. Really, I haven't seen them since then.

Q: Do you know if Auan has talked to anyone since he got arrested for this incident?

A: No. I know he hasn't talked to me.

Q: Is there anything else that you can think of at this time, that you would like to add to your statement, which might aid in this investigation?

A: No.

Q: Can you read and write without the aid of eyeglasses?

A: Yes I can.

Q: I will now ask you to read over your statement to be sure that it is true and correct, and if so, I want you to initial the bottom right-hand corner of each page, except the last, which you will need to sign, date and time. Do you understand?

A: Yes.

Robbery Defendant Statement

This is the statement of [REDACTED]. This statement is made on Thursday, January 23, 1997, at 2:30pm, in the Robbery Office, 201 Poplar, Room 11-20 to Sgt. M. R. I am going to ask you some questions regarding the above complaint. You have the right to remain silent and anything you say can be used against you in a court of law. Q: Do you wish to make a statement now?

A: Yes.

Q: Were you present at 2510 Dexter, on Sunday, January 5, 1997, when Cedric Wilson was beaten and robbed?

A: Yes sir.

Q: Who else was with you that night?

A: Dante Dale, Kevin Rice, and Auan Brown.

Q: Was anyone else out there with Cedric?

A: Romanitha Wilson and Terry Wilson.

Q: In your own words, can you please tell me what happened that night?

A: We was riding getting ready to drop Auan off, and on the way, Dante saw Ced and jumped out of the car and started beating him up. Kevin stood on the passenger side of the car and Auan got out the car and started taking his shoes, beeper, and watch. Auan had a gun that was showing out of his pants, but he never pulled it out. Auan was walking back to my car with the stuff that he took off Ced, and Dante told Auan to give him his stuff back. So Auan threw all the stuff back up in Romanitha's yard and they (Auan, Kevin and Dante) got back in the car and we went back over on Standridge. Dante ("Big Daddy") and Auan was the only two that got close to Cedric, which was about 25 feet away from the car. Auan didn't really touch him, except to take his stuff. Dante was the only one that beat him up.

Q: Do you know why this incident happened?

A: Because Ced stole some of Dante's money and ran off with it.

Q: How did Cedric steal Dante's money?

A: Dante said Cedric stole it out of his car, out of the glove compartment. Dante told me that he told Ced to get the money out of the glove box and bring him the package, but Ced ran off and didn't come back.

Q: How much money did he take?

A: It was close to \$2,000 or \$3,000.

Q: How long ago did this happen?

A: It happened in 1994.

Q: Why did Dante wait until this year to get mad at Cedric about the missing money?

A: He had been looking for him, but he never could catch up to him, and when he would catch up to him Ced would run off.

Q: Do you know why Dante never reported this theft to the police?

A: I don't know if he did or not.

Q: Do you know where Dante got this money that Cedric took?

A:

Statement made to: Sgt. M. R. Williams #9486

Typed by: Sgt. M. R. Williams #9486

This statement is relative to the complaint of AGGRAVATED ROBBERY, which occurred at 2510 Dexter, on Sunday, January 5, 1997, and which is filed under MPD File #970101761.

Q: Were you the victim of a robbery on Sunday, January 5, 1997?

A: Yes sir.

Q: What was taken from you during this incident?

A: My watch, beeper, shoes, and \$150 cash.

Q: Did you get everything back, or is any of your property still missing?

A: Everything that was taken is still missing.

Q: Were you injured in any way as a result of this incident?

A: Yeah, I got a cut in my mouth where they slapped me with a pistol. It swelled up, and the police took a picture of it that night.

Q: Did your injury, from this incident, require any medical attention?

A: No sir.

Q: In your own words, could you describe exactly what happened before, during, and after this robbery?

A: We were standing outside, and the car passed by once. When they came back, they jumped out with guns and demanded me to get on the ground. They kept telling me to get on the ground, and that's when he hit me upside the face with a gun. As I was on the ground, this other dude was taking my watch and shoes off of me while the other one had the pistol on me. The other guy had the gun on Terry. They had me on the ground for a while, and Roma came out of the house, telling them to stop, don't shoot me. Then the other dude was cursing her, calling her all kinds of names, and told her to get her kids out of the house before he shoot up in there. After they let me up, I went off in the house and they were out there, still talking bad to Roma.

Q: Was there anyone else present, at the time of this robbery, who might have seen what happened and could possibly identify the suspect(s) involved?

A: Terry and Romanitha Wilson, who are my cousins. A guy we call "Cecil" was out there talking to us when the car pulled up, but I don't know where he lives. When they jumped out with guns, he got in his car and left.

Q: When you say "Roma," are you referring to your cousin, Romanitha?

A: Yes sir.

Q: Do you know Cecil's real name?

A: No sir.

Q: What kind of car does he drive?

A: He was in a light blue Chevy Caprice, 4 door. His girl was driving the car.

Q: What kind of car were the suspects in?

A: A blue and white Cadillac. It belongs to a guy they call "Big Daddy," and he was driving it, but I think he sold it to one of the other guys that robbed me.

Q: How many suspects got out of this Cadillac?

A: Four.

Q: Do you know any of them by name?

A: I just know two of them. I don't know them by their real name, I only know them by their nicknames. One is called "Big Daddy," and the other one is called "Big Wham."

Q: Would you recognize any of these suspects if you were to see them again?

A: Yes sir.

Q: Can you describe the person who struck you with a gun?

A: He's real dark, heavy set, weighed about 260-270. He's about 5' 10" or 5' 11", and about 23-24 years old.

Q: Was he one of the two who you know by his nickname?

A: He's the one they call "Big Daddy."

Q: Do you know the person who was arrested the night this robbery occurred?

A: No, I don't.

Q: Do you know how he came to be arrested that night?

A: Roma had called the police. When they arrived, she went over on Standridge and showed the police the house where "Big Wham" stays. They found one of the suspects hiding inside, and arrested him.

Q: Were you present, at 1393 Standridge, when this person was arrested?

A: Yes sir.

Q: Is there any doubt in your mind that the person arrested that night on Standridge is one of the four suspects responsible for robbing you?

A: No, there's no doubt. That's him.

Q: Can you tell me exactly what this person, who was arrested that night, did during the robbery?

A: He took my watch and my shoes off, while "Big Daddy" held a gun on me. "Big Daddy" took my beeper and my money.

Q: How many guns were involved in this robbery and who had them?

A: I saw two guns, "Big Wham" had a big long gun, like a Tech, and "Big Daddy" had a 9mm handgun.

Q: Have you had any prior dealings with any of these suspects?

A: I just know "Big Wham" and "Big Daddy" from when Roma used to live on Standridge about three years ago. "Big Daddy" lived across the street and "Big Wham" lived down the street from her. Back then, me and "Big Daddy" gambled one time, and when he lost he wanted to fight me for his money back. It was \$800, but that was about 3 years ago and I've seen him many times since then.

Q: Is this incident drug or gang related in any way?

A: No sir.

Q: Is there anything else that you can think of at this time, that you would like to add to your statement, which might aid in this investigation?

A: No, not really. That's about it.

Q: Can you read and write without the aid of eyeglasses?

A: Yes sir.

Q: I will now ask you to read over your statement to be sure that it is true and correct, and if so, I want you to initial the bottom right-hand corner of each page, except the last, which you will need to sign, date and time. Do you understand?

A: Yes sir.

Statement made to: Sgt. M. R. Williams #9486

Typed by: Sgt. M. R. Williams #9486

This statement is relative to the complaint of AGGRAVATED ROBBERY, which occurred at 2510 Dexter, on Sunday, January 5, 1997, and which is filed under MPD File #970101761.

\*\*\*\*\*

Q: Were you a witness to a robbery on Sunday, January 5, 1997?

A: Yes.

Q: Was anything taken from you during this incident?

A: No.

Q: Were you injured in any way as a result of this incident?

A: No.

Q: In your own words, could you describe exactly what happened before, during, and after this robbery?

A: When it happened, I was waiting in the door for my son to be dropped off. I was constantly walking back and forth, looking for them to come, because they don't know exactly which house I stay in. The last time I

walked to the door to look out, that's when I seen the guys with guns out on the street. The one called "Big Daddy" had a big black handgun on my cousin, Ced, and the one, who got arrested later that same night, took Ced's shoes, beeper, watch, and money. I walked over there to them, to tell them to leave from out in front of my house, and to ask them not to shoot my cousin, Ced. Then another one got out of the car with an even bigger gun, and as I was walking towards my cousin, Ced, I seen him get out of the car with the gun. I hollered out, "Don't shoot my brother," who was easing back to get out of the way of the guns. When I got over there, I was telling the guy with the gun on Ced not to shoot. The guy with the really big gun was waving it around, and he pointed it at everyone who was standing in my doorway. When my brother went up in the house, the guy with the big gun told me to get my kids out of the house. He said "If your brother is going in the house to get a gun, then I'm going to shoot your house up." They left after that.

Q: Was there anyone else present, at the time of this robbery, who might have seen what happened and could possibly identify the suspect(s) involved?

A: My brother, Terry, and his wife, Ora Wilson, and my cousin, Cedric. Terry and Cedric were outside talking to Cecil, and Ora was in the house with me.

Q: Are you called "Roma?"

A: Yes.

Q: When you say "Ced," are you referring to your cousin, Cedric Wilson?

A: Yes sir.

Q: What kind of car does Cecil drive?

A: The car he was in that night was a dark blue Cutlass, and there was a girl driving.

Q: What kind of car were the suspects in?

A: It was a long navy blue Cadillac, with 4 doors and a white top. They say that Etienne had bought it from "Big Daddy."

Q: How many suspects got out of this Cadillac?

A: Four.

Q: Do you know any of them by name?

A: I know all but the one that got arrested that night. I only knew his face. The other three were Dante Dale (Big Daddy), Kevin Rice (Big Wham), and Etienne Harmon.

Q: How do you know these people?

A: I've been knowing them from around the area. My mother's husband, my step-father, has children by Dante's sister, Lizzie Dale.

Q: Would you recognize any of these suspects if you were to see them again?

A: Yes sir.

Q: Do you know the person who was arrested the night this robbery occurred?

A: No, I don't.

Q: How did the police know where to find the one they arrested?

A: I took them over on Standridge, to where the Cadillac was parked.

Q: Were you present, at 1393 Standridge, when this person was arrested?

A: Yes sir.

Q: Is there any doubt in your mind that the person arrested that night on Standridge is one of the four suspects responsible for this robbery?

A: No, I have no doubt, it's him.

Q: Was he still wearing the same clothing that he had on during this robbery?

A: Yes. He had on a jacket during the robbery, but he didn't have it on when they arrested him. The rest of his clothes were the same.

Q: Can you tell me exactly what this person, who was arrested that night, did during the robbery?

A: He took Cedric's shoes, watch, beeper, and some money out of his pocket.

Q: How many guns were involved in this robbery and who had them?

A: Only two. Big Daddy had a big handgun and Big Wham had the big long gun.

Q: At any time during this incident, did either of them point their gun at you?

A: Big Wham waved his gun, pointing it at me and everyone in my door.

Q: Have you had any prior dealings with any of these suspects?

A: No.

Q: Is this incident drug or gang related in any way?

A: No sir.

Q: Is there anything else that you can think of at this time, that you would like to add to your statement, which might aid in this investigation?

A: I guess they thought Ced might have some money.

Q: Can you read and write without the aid of eyeglasses?

A: Yes sir.

Q: I will now ask you to read over your statement to be sure that it is true and correct, and if so, I want you to initial the bottom right-hand corner of each page, except the last, which you will need to sign, date and time. Do you understand?
