Re: Character of Mr. Vern Glover Braswell

Your Honor:

I met Mr. Braswell approximately 10 years ago as a fellow member of a 12-step program of recovery. I also introduced to him and later passed a torch on to him concerning a variation of prison ministry work that focuses on a recovery from alcohol and drugs. For about 10 years, Vern has diligently served the inmates of the Shelby County Penal Farm as a volunteer at least once a week and sometimes even twice a week over the years. It has also been a joy to watch him and his family grows spiritually and to also serve as inspirations to other families that have been rocked by alcohol and drugs. There are only a few people that I would do this for and Vern Braswell is someone that has demonstrated the spiritual principle of serving his fellow man over the years and is one of my friends and fellow masons that I would gladly support in his attempt to receive a reasonable bail. I am absolutely certain that he would show up for his court appearances.

Respectfully,

Freddie Hunt
