Honorable Judge Arthur Bennett
Division 7 Criminal Court
201 Poplar Avenue
Memphis, TN 38103

Your Honor,

I am an officer with the Memphis Fire Department and I have known Brother Vern Braswell for a number of years. He has been an outstanding servant in Epsilon Phi Chapter, Omega Psi Phi Fraternity, Inc. He has worked and served without complaint on a number of social and civic projects. He has often done charity or community uplift work OWN HIS OWN yet given the credit to the fraternity. I have participated in career day events at Hanley Elementary representing the Memphis Fire Services. Bro. Braswell has truly been an asset to our organization, to his employer, as well as to the communities of the City of Memphis and Shelby County. I am humbly requesting that a reasonable bond be granted to Bro. Braswell so that he might be able to be rejoined with his sons that he treasured so much.

Respectfully,

Chief Frank Cotton, Basileus
Epsilon Phi Chapter
Omega Psi Phi Fraternity, Inc.
